Though as Stephen avers in the other thread, the YouView box makes a stab at differentiating between transmitters, so you can pick just one, which should obviate the need for manual tuning. Unfortunately, the stab it makes goes, or went, a bit wide of the mark.

Manual Retuning of a youview box...is it possible ...

The quick setup guide only shows you the basics to get you up and running. The Full User Guide on page 29 gives instructions on how to connect your TV to the RF Out Socket. A copy of this guide can be found at http://bt.custhelp.com/app/answers/detail/a_id/40460/~/-bt-tv-user-guides-%28youview-and-bt-vision%29 - I hope this is useful.

Thankfully I don't suffer from the BT branding issue reported by some Youview users with BT fibre. Having said that the extra tv channels in the guide are visible, and turn up in search results too. I've hidden (a Youview feature) the extra Plusnet channels in the guide, but search results will still pick them out - Its not too problematic though.

Thinking of leaving BT and go to Plusnet. — YouView Community

If you have any trouble with retuning your YouView box or you've lost some channels, please contact your box provider, internet service provider (if it is BT, TalkTalk or Plusnet) or drop a message on our community forum and you will receive the help you need.
