Managers are there to embrace change. Leaders are the ones actually pursuing and driving this change. However, if you structure your organization right, everyone should be a leader in some respect...

Why Change Is Essential to Your Organization (And How to ...

Take practice nurses, who work with people with long-term conditions. Suicide prevention is traditionally seen as outside their remit, but suicide is everybody's business. 'We are determined to lobby for this, so that it's something that all nurses feel confident with,' said Hulatt.

Suicide - Everybody's business

The employees consider it everybody's business to drive change. Every time your organization moves higher up in the Change Maturity Model, it reaches further down the company hierarchy to involve more people in driving change. The relationship between organizational change and power is therefore inversely proportional.

Change is everybody's business (Book, 2002) [WorldCat.org]

Change happens. The only thing that is promised in life is change... and death and taxes if you ask Ben Franklin. Change can be a great thing. It propelled Barack Obama to the highest office in the land and it can also buy you a soda from the break room. These quotes about change will help you embrace change, see the beauty in the 'new' and help you stay positive when change hurts. 1. Winston ...
