Growing up in the 80s. If you are looking for information on how life was different in the 1980s you have come to the right place! As a child growing up in the 80s life was vastly different from the world we know now. Here is my own personal, in-depth report on life in the 80s.

### Life in the 80s - What Life was like Growing Up In The 1980s

Breast development is one of the changes that stress girls out the most. Many girls worry that their breasts aren't growing enough. But breasts usually continue to grow until you're 17 or 18 years old -- or even into your 20s. Sometimes one breast grows faster than the other, although the slower one usually catches up.
