Extend the tube down past the bottom of the circle before drawing a box for the dragons foot. Add 3-4 skinnier tubes that are about one-third the length of the leg onto the sides of the box to make your dragon's claws. Draw the other front leg and the back legs the same way. You don't have to draw the back legs on your dragon if you don't want to. Your dragon's feet don't need to be flat on the ground since Chinese dragons are usually drawn as flying.
