fantasy novel by David Gemmell, first published in 1989.

Though a standalone novel, its story is set in the same world as that of Gemmell's Drenai Series, though occurring more than 1800 years before Waylander, the first story set in the Drenai lands proper.

David Gemmell's writing was so good, I empathized with each character over the traumas they went through. The fate of the Knights of Gabala was heartbreaking. Knights of Dark Renown wasn't just violence and traumatic events but a healthy dose of humor added a wittiness to the writing.
