Chris also focuses on strategic partnerships with Homes England, local authorities, health organisations, universities, and the community and voluntary sector. The team also leads on the physical shaping of neighbourhoods and optimisation of our services and products around our existing homes, new homes and neighbourhoods, including community development/social regeneration.

Leadership team - Thirteen

Our health is shaped by a range of factors, as set out in Figure 1. It is hard to be precise about how much each of these factors contributes to our health, but the evidence is convincing that the wider determinants of health in the outer ring have the most impact, followed by our lifestyles and health behaviours, and then the health and care system.
