Color - Wikipedia

Installation art is an artistic genre of three-dimensional works that are often site-specific and designed to transform the perception of a space. Generally, the term is applied to interior spaces, whereas exterior interventions are often called public art, land art or art intervention; however, the boundaries between these terms overlap.

Installation art - Wikipedia

Central examples of judgments of taste are judgments of beauty and ugliness. Judgments of taste can be about art or nature. This subjectivist thesis would be over-strict if it were interpreted in an "atomistic" fashion, so that some
